

Department of Excise & Prohibition Government of Jharkhand.

Expression of interest for selection of operators who can supply and run integrated GIS/GPS mobility vehicle tracking system in the Department of Excise & Prohibition, Jharkhand.

The Department of Excise & Prohibition, Jharkhand, intends to set up a ‘STATE LEVEL CONTROL ROOM’ to track liquor laden vehicles, fitted with, “integrated GIS/GPS vehicle tracking system,” and to exercise total control over movement of excisable articles and creating a database of such movements. The companies willing to provide this service, are invited to express their interest and to provide initial relevant information as to their ability to fulfill the Departments requirement, by way of “power point presentation”, on the specified date. The EOI should include, the description of the companies profile, details of relevant experience, the technology, hardware and software both for the Control Room and the vehicles. This EOI is not an invitation for submission of a bid. The interested parties may submit their offers along with relevant document, in the forms attached with this EOI latest by 16th June, 2015 upto 3.00 P.M. For detailed EOI document and forms kindly visit www.jharkhand.gov.in.
